The Reich is headed by the Führer. Länder (incl. Hamburg and Bremen) are headed by officials with various titles, e.g., Minister President, and are supervised by the Reich through a Reichstatthalter. Each Land has a Reichstatthalter at its capital except where indicated otherwise, i.e., Bremen, Schaumburg-Lippe, and Braunschweig.

Provision provinces are headed by Oberpräsidenten. Regierungsbezirke are headed by Regierungspräsidenten. Other districts are headed by officials sui generis. Landkreise are headed by Landräte. Stadtkreise are headed by Oberbürgermeister.
